Re: GLD CLE Grant Request

I am requesting a grant from the Government Lawyers Division of the State Bar of Wisconsin for the 2024 Annual Meeting and Conference registration fee. I understand that this CLE Grant Request is for prospective funding and not for reimbursement of a CLE that I have already attended. I understand that the CLE Grant funds are intended to only cover tuition fees for the AMC that are otherwise not covered by my employer. I agree to submit an article for the Division's publication promptly upon the completion of the program or conference. I also agree that I will inform the Division as soon as practicable if I am unable to attend the conference for any reason. I understand that Grant funds are only available to members who receive a salary from a government entity.

3. If you are a nonresident lawyer (defined as a lawyer with a work or home address in a state outside of Wisconsin), please list any other bar memberships you may have.
4. Brief description of your practice and specifically how this program will help your practice. Please note which specific CLE Sessions at the conference you wish to attend and how they will help your practice.
5. Other funding sources (scholarship, employer, etc.):
