"I am thankful that a lawyer with a long history of problem-solving and serving clients at difficult times in their lives is willing to devote time to the State Bar of Wisconsin. The State Bar needs a leader who can think critically, involve others, and look for solutions that may not be obvious. Dan has these skills. His focus on mentorship will also be important to ensuring that younger lawyers get the support they need to advance in this profession."

- Michelle Behnke

Attorney with Boardman Clark, Current American Bar Association President-elect
