- **Procedure for Amending Wis. Const:**
 - **Constitutional amendments. Art. XXII; Section 1:** Any amendment or amendments to this constitution may be proposed in either house of the legislature, and if the same shall be agreed to by a majority of the members elected to each of the two houses, such proposed amendment or amendments shall be entered on their journals, with the yeas and nays taken thereon, and referred to the legislature to be chosen at the next general election, and shall be published for three months previous to the time of holding such election; and if, in the legislature so next chosen, such proposed amendment or amendments shall be agreed to by a majority of all the members elected to each house, then it shall be the duty of the legislature to submit such proposed amendment or amendments to the people in such manner and at such time as the legislature shall prescribe; and if the people shall approve and ratify such amendment or amendments by a majority of the electors voting thereon, such amendment or amendments shall become part of the constitution; provided, that if more than one amendment be submitted, they shall be submitted in such manner that the people may vote for or against such amendments separately.

 - **Highlighted**=Added.

III. Ongoing Cases and Trends

1. *Priorities USA v. Wisconsin Elections Commission*, 2024 WI 32

- Issue: Whether to overrule the Court’s holding in *Teigen v. Wisconsin Elections Commission*, 2022 WI 64, 403 Wis. 2d 607, 976 N.W.2d 519, that Wis. Stat. 6.87 precludes the use of secure drop boxes for the return of absentee ballots to municipal clerks.
Oral arguments were held 5/13/24; Decision on July 5, 2024.

Holding: Wis. Stat. 6.87(4)(b)(1) **allows** for the use of ballot drop boxes. 2024 WI 32, para. 5.

Reasoning:

- Language at issue: Wis. Stat. 6.87(4)(b)(1): “The envelope shall be mailed by the elector, or delivered in person, to the **municipal clerk issuing the ballot or ballots.**”
- Election statutes distinguish between “municipal clerk” and “municipal clerk’s office.”
- Delivering your ballot to a “dropbox” is consistent with delivering your ballot to the “municipal clerk” within the meaning of the statute.

2. *Disability Rights Wisconsin et al v. Wisconsin Elections Commission*, Dane County Case No. 2024CV001141

- Temporary injunction granted: Election officials must allow people with print disabilities to electronically request and fill out absentee ballots in November. (6/25/24).
- Legal basis: Right to secret ballot (Wis. Const. Art. III s. 3).
- On June 25, Dane County Judge Everett Mitchell granted DRW’s temporary injunction requiring election officials to make accessible electronic ballots available to voters in November. Dane County Case No. 2024CV001141.
- On August 19, 2024, Court of Appeals granted Legislature’s motion for a stay and the TI is stayed pending disposition of appeal.

3. *League of Women Voters v. Wisconsin Elections Commission*, 2024AP000166

- Circuit court ruled in favor of plaintiffs, holding that certain technical address errors do not invalidate the ballot. Order in effect.
- Pending at Court of Appeals

4. *Rise, Inc. v. Wisconsin Election Commission*, 2024 WI App 48.

- Circuit court ruled in favor of plaintiffs, adopting a common-sense definition of address.
Affirms in part and reverses in part.

- Affirmed: Address means “a place where the witness may be communicated with.” 2024 WI App 48, para. 59.
- Reversed in Part, para. 60.
 - “The face of the certificate contains sufficient information to allow a **reasonable person in the community** to identify a location where the witness may be communicated with.”
 - COA definition: “[W]hether the face of the certificate contains sufficient information to enable a municipal clerk to reasonably identify a place where the witness may be communicated with.”

5. *Kormanik v. Wisconsin Election Commission*, 2024AP0408

- *Issue*: Does Wis. Stat. 6.86(5), which authorizes a clerk to issue a new ballot to an elector if the AB is “spoiled or damaged,” permit ballots that are otherwise complete, undamaged, to be spoiled?
- *Holding*: No. Statute does not provide the statutory basis for do so.
- *Implications*: EA Manual provides that the following scenarios must be followed if the “returned” ballot is spoiled.
 - If the voter returns an absentee ballot that is already spoiled or damaged to the municipal clerk, the voter’s request for a replacement ballot under § 6.86(5) must be made within the applicable statutory timeframe for requesting an absentee ballot. Wis. Stat. § 6.86(5) (cross-referencing § 6.86(1) and (3)(c)). The elector may vote the replacement ballot at the clerk’s office during in-person absentee voting under those procedures, or may vote the ballot under the usual absentee return procedures in § 6.87(4)(b)1.
 - The municipal clerk ensures that each absentee ballot is delivered to the correct polling place or alternate ballot site on Election Day no later than 8:00 p.m. Wis. Stat. § 6.87(6).
 - If the clerk receives an absentee ballot from an elector who is recorded as voting on Election Day, the clerk should mark the ballot “To Be Rejected” and set the ballot aside for processing by the Municipal Board of Canvassers. The clerk should also contact law enforcement immediately.
 - If an elector with a calendar year request does not return a ballot for an election, the absentee request is cancelled and the absentee elector should be notified by mail within 5 days, if possible. Wis. Stat. § 6.86(2)(b).
- COA Decision is Still Pending.

6. *Liebert v. Wisconsin Election Commission*, 23CV672-JDP

- Federal District Court found for Defendant. Held: Wisconsin witness requirement for absentee voting (Wis. Stat. § 6.87(2) and (4)(b)(1)) did not violate the Voting Rights Act prohibition on vouching for voter qualifications or Civil Rights Act materiality provision (52 USC § 10101(a)(2)(B))
- No appeal filed at the 7th Circuit (yet)
